STATINTL

D/Pers said that present conditions indicate that a COL could be coming up by February this year.

STATINTL

Asked [REDACTED] to look into the procedure wherein No-Escort badges are provided IBM reps. (This was a result of a comment made that IBM salesmen may have more privileges extended to them than Xerox people.)

STATINTL

Reported to DD/M&S on the CT Class of July: impressive; many academic honors; their language skills represent about a 1/4 million dollars to the Agency ...if we had to train them.

John Blake, now D/Pers; [REDACTED], DD/Pers; Frank Van Damm, D/Log.

Commented on Dr. Tietjen's conversation with a student in AIS who was impressed with the philosophy of the M&S Directorate and urged OTR to play an important role in the continuing image-making of M&S.

STATINTL

STATINTL

STATINTL

[REDACTED]
Technicians from Strauss Photo Technical Services are doing a final check-out of existing equipment in OTR's classrooms.

STATINTL

[REDACTED]
Mentioned the word received on the rejection of three military positions for the IST staff; three civilian positions expected instead.

Two additional pieces of equipment have had to be added to the long list of requisitions for the Center in C of C.

STATINTL

[REDACTED]
The FY 1974 suggests near poverty status for OTR; the [REDACTED] is going into the year in excellent financial condition.

STATINTL

EA in process of rescinding OTR's Regulations and Notices; bringing others up-to-date; hopeful that the effort will be completed by fall; School and Staff Chiefs should take the initiative to update those with which they are concerned; all suggestions to be sent to Plans Staff.

Will be issuing Notices on the Personnel Board and Panel very soon.

STATINTL

[REDACTED]
CIA Today and Tomorrow, just finished, was very good and popular.

On 13 July his Instructional Staff will meet with him at [REDACTED] to discuss SIWA's programs.

STATINTL
